Projects

Spendometer (Flutter, Dart, Firebase)
- Spendometer simplifies expense tracking with easy-to-use features for adding, editing, and categorizing expenses.
- Spendometer's intuitive charts and graphs offer valuable insights into spending patterns, aiding users in budgeting and financial goal-setting.

SmartAI (Python, HTML, CSS, JavaScript, openAI API)
- An interactive web-based chatbot interface, using HTML, CSS, and JavaScript, providing real-time user interactions and seamless communication with the back-end.
- Designed a visually appealing and user-friendly interface with custom fonts and audio feedback, enhancing engagement and delivering an exceptional user experience.
- Incorporated OpenAI's API key to leverage the power of natural language processing, enabling "SmartAI" to perform internet searches and provide accurate and contextually relevant responses to user queries.

Hotel Near Me (HTML, CSS , JavaScript, MongoBD, React)
- Developed an intuitive hotel discovery platform using React, designed for efficient searches and bookings of nearby accommodations.
- Leveraged MongoDB and JavaScript for robust data management and dynamic interactions, ensuring a seamless user experience during the search and selection process.

Work Experience

SF State University Housing   August 2023 - Present
Desk Assistant
- Provided top-notch service to residents, addressing inquiries and concerns with strong communication and a friendly approach. Managed front desk tasks, including mail, key handling, and package delivery with precision.

Leadership Experience

Rotary Club   March 2021 -Jun 2021
- Received Certificate of Appreciation for selfless service to the community during the COVID-19 pandemic.
- Actively contributed to making a positive impact in Abohar.
- Participated in various community service projects and initiatives.

NCC (National Cadet Corps)   June 2019 -May 2020
- Developed leadership and teamwork skills while honing strategic thinking and problem-solving abilities through various camps and competitions, and engaging in community service activities that instilled a sense of responsibility and civic duty.
